Application Instructions

1. Applications are accepted on a semester-by-semester basis. The deadline to receive applications is on the church website at www.walterborobethelumc.org.
2. The scholarship is for full-time study at a school (institution of higher learning) accredited by the Southern Association of Colleges and Schools, or similar organization in another part of the country. Study may be at the undergraduate or graduate level. Full-time status is determined by the school.
3. The scholarship award amount is at least \$1,000 but is often more and varies from semester to semester. The award amount for a seminary student is double the amount of other awards for that semester.
4. The applicant must be a resident of Colleton County, South Carolina. A copy of the applicant's driver's license or voter registration card must be included.
5. The applicant must be a professing member of the United Methodist Church and obtain a statement from the pastor of his or her church. The statement form is on the church website. The church doesn't have to be in Colleton County. The scholarship committee will consider a request for an exception to this requirement from an applicant who submits a written explanation why he or she cannot meet it.

6. A 3.0 GPA on a 4.0 scale is considered a “B” average. Let us know if your school grades on a different scale. For continuing students the 3.0 GPA must be accomplished in the previous semester and is not cumulative. Summer school grades are not considered.
7. New students must include a copy of their high school transcript showing GPA and class rank.
8. Continuing students must include a copy of their school transcript for the prior semester. It can be an unofficial transcript, but must clearly show the student’s name and the semester, along with the name, hours and grade on each course.
9. A completed application package may be mailed to the church, dropped by the church office during regular office hours, or emailed to bethelwboro@lowcountry.com. It is the applicant’s responsibility to confirm that his or her application package has been received by the deadline. Grades not available by the application deadline may be submitted later.
10. The scholarship committee’s intent is for this application process to be as simple and objective as possible. Please contact committee chair John Thomas at (843) 224-1858 or jathomasjr34@yahoo.com if you have any questions about the Peurifoy Scholarship Program or the application requirements.

The church is thankful for Mr. Peurifoy’s significant gift that endowed this ministry to increase the higher education opportunities of Colleton County citizens. More than \$1,000,000 has been awarded in scholarships since 2009.
